ORIGIN OF THE EMBLEM

We designed our emblem from the plum blossom, which is the flower of Odawara city. It blooms at Sannomaru in Odawara castle gloriously, in the cold of the winter season.

The three circles of the emblem represent the petals of a plum blossom and also signify the harmony of the school, the families, and the community. The pistil and stamen symbolize the heart of the emblem, and it also represents the teachers and the students.

The spirit and message of the seal are, that the students will bloom as well as they surely bear fruits in their future like plum blossoms.
