TODAYS POEM

NO17

THE MOST IMPORTANT THING!

Having our own dream
is important to us.

For example...

I want to be a soccer player.

Having our own goals
is even more important to us.

I will be able to lift 100 times in Soccer.

Acting with goals is of utmost important
to us.

I practice lifting on the ground
every day.

Let's keep making an effort
for your dream.
